

# Community, Parks & People

## Volunteer Restore a trail!

Saturday and Sunday  
June 28 & 29, 2008

### Give Back. Wilderness in the City!

San Francisco's Glen Canyon Park is a wonderful bit of wilderness in the heart of the city, but it is in need of some care and repair.

In partnership with SF Recreation and Parks, V-O-Cal volunteers will maintain and repair the primary trail network, repair drainage, reroute a highly erosive of trail section, install a raised turnpike over two boggy areas of much-used trails and remove invasive French broom. We are looking for roughly 200 volunteers, ages 14+. Participants receive a commemorative gift, and no prior experience is necessary.

We train you. We feed you!

*Come help us make a real difference!*

The scenery is great; the work is fun and rewarding and you can camp in the heart of the city (details still being worked out)! Join us for this important event. The project officially starts on Saturday at 7:30 AM.

Join us for just one day or for the entire weekend! Find out more at [www.v-o-cal.org](http://www.v-o-cal.org)  
Call (650) 298-9774 or sign-up online:
